“My time at Notre Dame as a part of the Men’s Golf Team has taught me more about teamwork, character, and hard work than I could have ever hoped. Every day is dedicated to competition at the highest level as well as excellence in the classroom. I am proud and humbled to have the opportunity to wear the ND monogram and represent the University in everything that I do. Thank you for your continued support of our program and the greatest University in the world.”

Mia Ayer

“Notre Dame golf taught me how discipline and perseverance can lead anyone to success. I’ll always remember my time on the team as indispensable in my personal development. The friends I made and the people I met as a part of the men’s golf program will forever be a part of my life.”

John Felitto

“It has been an opportunity of a lifetime to be a member of this team while representing the school I love through golf. I have learned so much about diligence, integrity, and leadership not only from my wonderful teammates, but from the entire Notre Dame community. Being able to be both a student and an athlete at this school has helped me cultivate the skills that I will take forward with me through the rest of my life.”

Davis Lamb

“Being a student athlete at Notre Dame has allowed me to pursue both my academic and athletic goals as well as helped me to grow as an individual. My teammates and coaches help to facilitate a positive atmosphere where I look forward to coming to practice each day. I chose Notre Dame because of the excellent academics and athletics, but also because of the rich tradition that has inspired me to be the best person I can be. In just one year, I have learned so much about myself and I look forward to continuing to grow over the next three years.”
